

World Building Jr (Ages 6-11)

This class is aimed at all the kids that know *how to spin a good yarn but need some direction in beginning world-building.*

Utilizing the genius of Jarrett Lerner we'll use and stretch our imaginations with his two activity books: *Give this Book a Cover* and *Give This Book a Title*.

Morrigan Crow is cursed. Having been born on Eventide, the unluckiest day for any child to be born, she's blamed for all local misfortunes, from hailstorms to heart attacks--and, worst of all, the curse means that Morrigan is doomed to die at midnight on her eleventh birthday.

But as Morrigan awaits her fate, a strange and remarkable man named Jupiter North appears. Chased by black-smoke hounds and shadowy hunters on horseback, he whisks her away into the safety of a secret, magical city called Nevermoor.

A pass/fail grade with written evaluation is available at the end of the semester.
